

OCT 29 1965

Mr. Richard A. Bartlett
Associate Professor
Department of History
Florida State University
Tallahassee, Florida 32306

Dear Professor Bartlett:

This is in reference to your letter of September 17 in which you request delineation and origin of the names of some of the mountain ranges bordering Yellowstone National Park. This information was not immediately available to us, and, therefore, we have started an investigation of the questions you asked. Delineation of these features may take some time. We will notify you further of our findings.

Sincerely yours,

A. F. Stiker

For J. O. Kilmartin
Executive Secretary
Domestic Geographic Names
